Patel Traders

<https://www.chipresetters.com/>

We are one of the leading **Manufacturers, Exporter, Wholesaler, Traders and Retailer** of high quality **Chip Resetters and Resetting Devices, Airbag** and many more.

About Us

Incorporated in **2002**, we, "**Patel Traders**", are one topmost **Manufacturers, Exporter, Wholesaler and Traders** of high quality **Chip Resetters** and **Resetting Devices**. Inclusive of Apex Unismart Laser **Chip Programmer, Packing Materials Airbag** and **Packing rolls** and **HP 1918 Dye-Based Black Print Cartridge**, We offer a range of products for our customers. Paying a special attention to changing requirements of our customers, we utilize the state-of-the-art technology to help them with the most convenient products. Applying the updated technology for manufacture, our products are known for their compact design, precise engineering and high performance. Manufactured using the quality assured materials, our products are known for longer functional life as well. Inclusive of being used in various printer cartridges, our products are used for a wide range of applications.

By procurement of quality assured materials from our trusted and reliable vendors, we emphasize on the quality of products, from the very beginning. These vendors are associated with us for a long time and understand the precise needs of our customers. While for performing quality checks, we have a team of quality controllers for the same. We too have assigned the highly qualified professionals to handle the various units efficiently.

With the consistent efforts of our mentor, **Mr. Jayendra Patel**, we have...
